Ministry of Education and Science
Republic of Latvia

research
Latvia

Value Through Knowledge

FIELD SNAPSHOT

Large and **diverse** field

Strong **societal relevance**

OVERALL PERFORMANCE

Most units score 3

Improvement since the previous cycle

RESEARCH QUALITY

Good but uneven

Fragmented research agendas

IMPACT ON SCIENTIFIC DISCIPLINE

Limited international visibility

Strong national role

ECONOMIC IMPACT

Strong engagement with policy and industry

Contribution to **regional development**

SOCIAL IMPACT

Very strong societal engagement

Influence on public debate and policy

INFRASTRUCTURE & ENVIRONMENT

Adequate **support structures**

Significant fragmentation

DEVELOPMENT POTENTIAL

Good potential if better coordinated

Needs **stronger prioritisation**

FUTURE DIRECTIONS

Reduce fragmentation

Increase internationalisation

Strengthen fundamental research
