

Continuation of activities within the Baltic Alliance for Apprenticeships

**Agreed upon during the international Baltic seminar 24 January, 2017
“Promoting Baltic Alliance for Apprenticeships” - as part of the Erasmus+
WBL-Balt project**

Continued cooperation at different levels with more emphasis on VET institutions’ associations and business sector associations’ involvement

Specific directions of joint work

- ✓ Discussions and developments towards joint Programs & Qualifications
- ✓ Enhanced cooperation among Baltic employers on WBL implementation
- ✓ Promoting Baltic region as the best place for studies and work

Practical implementation: to meet as frequently as needed (but no less than once per year – preferably second part of January) to review progress and agree on further work. The potential format – a Baltic seminar or conference (in Latvia, Lithuania or Estonia)
