

# Recommendations for universities and colleges for implementing precautions to limit the spread of the Covid-19 infection

Published: 06.08.2020.

News

From 1 August 2020, all study programmes are implemented on site. The higher education institution evaluates the risks and opportunities for distancing, and may implement a part of the course or module of the study programme remotely in accordance with Cabinet Regulation No. 360 of 9 June 2020 "Epidemiological Safety Measures for the Containment of the Spread of Covid-19 Infection".

The university and college determines the procedure by which the requirements for limiting the spread of Covid-19 infection are ensured. Persons with symptoms of respiratory infectious diseases are not allowed to be present in the university and college.
